Dear Ms. Vaughn,

Please accept my sincere appreciation on behalf of the Board of Directors, the volunteers, and the community we serve for your very generous donation of \$700.00 to HOPE Spay Neuter Clinic. All donations help with the continued operation and services of our high quality, low cost clinic, benefitting communities and especially those who could not otherwise afford to alter their pets. Together, we can make a difference in the lives of at-risk and unwanted animals in Kentucky. This would not be possible without the support of people like you.

We are also striving to provide increased community awareness of the need for our trap/neuter/return (TNR) program for feral cats in all Kentucky counties.

Will the company for whom you work match your donation to HOPE? Please call your Human Resource Representative to find out if they will match your donation dollars. HOPE will greatly benefit from matching funds and many companies are looking for ways to give back to their communities.

Again, thank you for your very generous contribution. We appreciate all you do to advance HOPE's mission to **Help Over-Population End.**

Sincerely,

Jennifer Hertweck (TS)
Treasurer
