Dear Blue Goose Members,

Thank you so much for your donation to Kentucky Organ Donor Affiliates. Your support will help save lives of patients on the transplant waiting list by encouraging everyone to join the Kentucky Organ Donor Registry.

Your very generous donation of **\$800.00** will help our awareness initiatives; including media campaigns, speaking engagements, and school programs aimed at teaching all Kentuckians the importance of being a registered organ donor. Your contribution will also support donor families through the difficult times via our Aftercare Program.

As the number of patients on the transplant waiting list continues to rise, so must our efforts. We are honored that you have chosen our 501c(3) organization for this gift, and we very much appreciate your support of this life saving mission.

With deepest gratitude,

Shannon L. Adkins

Dear Friends,

I am inspired daily by the generosity in our community. People like you are making an impact here at Home of the Innocents and you probably have no idea just how much of a hero you are.

Over the last few months at the Home, we have had a bit of excitement. Karter, a child living in our Kosair Charities Pediatric Convalescent Center (KCPC), who was born with deformities in both arms and his left leg, finally received his prosthetic leg. His left leg had to be amputated so that he could be fitted for this prosthetic. Four year old Karter is determined to walk and this is the only way he will be able to achieve that goal. He works daily with his nurses and therapists to gain the skills he needs so that he can go back home and live with his family. We have been so proud watching his progress.

When we received your generous gift of \$550.00, I was reminded of this young boy and the hope he has for a successful future. Our mission is difficult and without your support, we would not be able to provide around-the-clock care to meet each child's medical, physical and emotional needs.

Thank you. You are a hero.

Dear Ms. Vaughn,

Thank you for the wonderful opportunity to participate in the annual KY Pond outing. Our group had a wonderful time. Coach and I were very appreciative of the contribution your organization made to our charity.

This letter acknowledges that we received a \$4,000 gift by KY Pond H O B G I to the *Denny Crum Endowed Scholarship*. This wonderful investment will help provide scholarships for students who have demonstrated leadership, community service and academic achievement, and it also serves to honor Denny Crum and his many years of service to the university and our winning basketball program.

On behalf of the University of Louisville and the Denny Crum Scholarship Foundation, I want to again thank you for this significant contribution that will directly enhance student success. This scholarship truly represents your appreciation toward the efforts of Coach Crum to better this University and this Community.

Best wishes to you and yours for a safe and enjoyable summer.

*Thanks Again,
Another great outing
see you next year - and
call me if I
can help with
anything.*

Sincerely,

Dear Blue Goose Members,

It was such a pleasure meeting your group & thank you for allowing me the opportunity to tell you about our mission of saving lives through organ donation. Your very generous donation will help KODA make great strides in the areas of education, patient assistance, and family aftercare. Having been on the receiving end of the love of the Aftercare Program when my son became an organ donor, I can attest to its importance. Thank You!
All my Best, Shannon Adkins

Thank you so much for hosting a silent auction to benefit Home of the Innocents at your golf scramble last month. We are so grateful for your compassion and support of our mission and our kids. Please let me know if you are interested in a tour of our home to learn more about what we do and how your support impacts our kids everyday.

Thank you,
April Sage
