Dear Kristi,

Thank you for your recent **\$600.00** donation to Special Olympics Kentucky. On behalf of over 8,900 children and adults with intellectual disabilities who participate in our programs each year, we sincerely appreciate you thinking of our athletes.

We have been changing lives for over 50 years! Since the first Special Olympics International Games in 1968, Special Olympics has grown to a global movement with more than 5 million athletes in more than 180 countries participating. Throughout 2019, Special Olympics Kentucky will have many exciting events take place, so please stay connected with us on social media.

We are still opening doors for athletes of all ages right here in Kentucky who otherwise might never get the opportunity to train, compete, and experience the joy of sport. Our athletes continue to gain the confidence, abilities and skills they need to succeed. It truly transforms lives!

Thank you for helping make a difference in the lives of Special Olympics Kentucky athletes. If you have questions or if you would like additional information, please feel free to contact me at 800-633-7403 or tmazzoni@soky.org.

Sincerely,

A handwritten signature in black ink that reads "Trish Mazzoni".
